

e-Sales

e-Sales allows for quick and convenient order entry of Flexco products. Review items, quantities, weights, and costs, then add to cart and submit your order. e-Sales also allows you to track your orders, review order status, and check your ordering history all through a secure login.

- Go to flexco.com and choose the e-Services drop down menu

- Self register and log on to e-Sales

- First time users enter your 9-digit Flexco account number. Login credentials will then be stored on your computer. Note: If you are a multi-branch distributor an icon for stored branch information will appear

- Click on icon to view and select the drop-ship address stored in the system

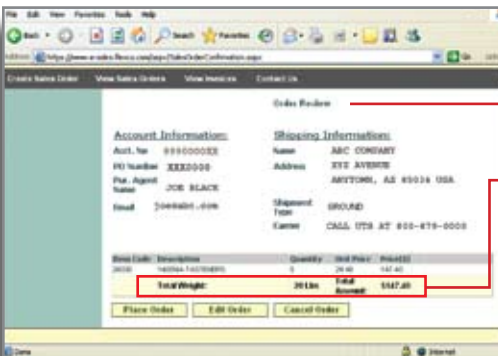

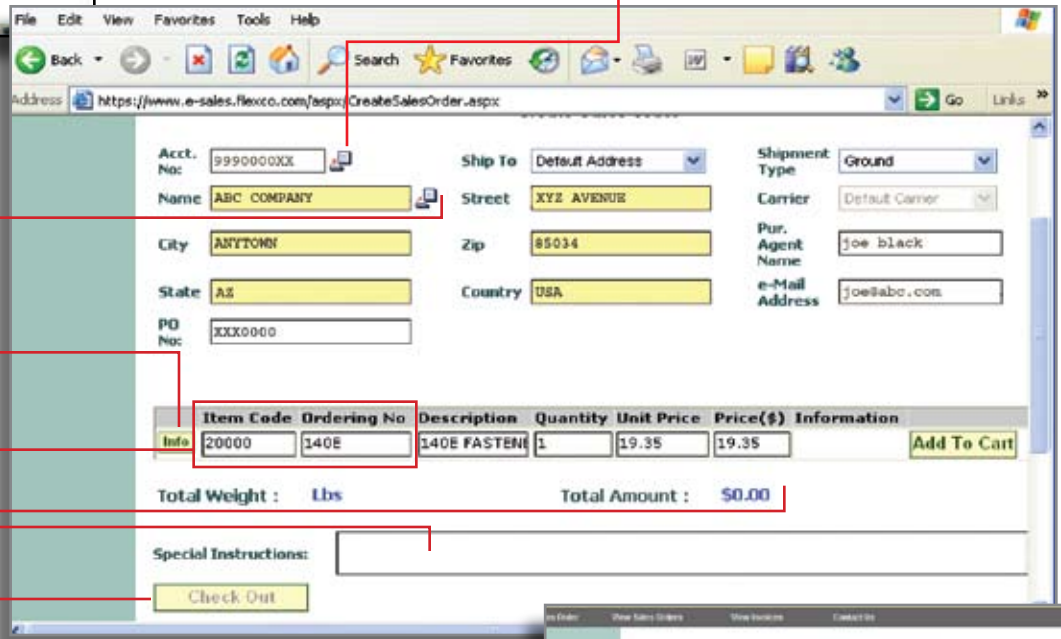

- Use info button to enter any special line item text or review units in package

- Item code OR ordering number can be entered for ordering

- Amount will automatically total when you add to cart

- Type in any special instructions

- Submit your order

- Review your order and easily make edits before submitting

- Displays total amount and weight

- Easily check order status and tracking as well as order history
